C: A. Honold - InReCon

C: F. Petzold - Trustsec

Committee Organization

Meeting Information

- Last Meeting:
 - Oct 7, 2015 – SEMICON Europa
 - Dresden, Germany
- Next Meeting:
 - Oct 25-27, 2016 - SEMICON Europa
 - Grenoble, France

Process Control Systems TF

- Leader: Martin Schellenberger (FhG IISB)
- No New Activity.
- No New Ballots.
- May sunset by the next meeting if there is further interest.

Presentation on PMML

- Presentation “PMML for unsupervised learning models” by Jan Eite (TNO)
- Predictive Model Markup Language (PMML) is currently used by other industries, but not in semiconductor
- PMML could be a topic for PCS TF, however, volunteers are needed.
