

FPD Polarizer TF Meeting Minutes

Rev. 0.3

Date: April 10, 2015

Venue: Semi Japan

Name of Co-Leaders

- Shigeo Kobayashi / Nitto Denko
- Otsuka (Sanritz)
- Yoshi Shibahara / Fujifilm

Agenda

- Agenda Review
- Welcome and Self Introduction
 - (Check Attendees List)
- SEMI Standards Legal Reminders
- Review of the previous meeting minutes (or former action item review)
- Revision of D50:0707 (TEST METHOD FOR SURFACE HARDNESS)
- New business
- Summary & Action Items
- Next Meeting

Participants

- Shigeo Kobayashi / Nitto Denko
- Ryoichi Watanabe / Japan Display
- Yoshi Shibahara / Fujifilm

Review of the previous meeting minutes (or former action item review)

- The minutes of the previous meeting was approved.
- The detailed records of the previous meetings were reviewed.

Revision of D50:0707

- The revision points were discussed.
 - Title: TEST METHOD FOR SURFACE HARDNESS OF FPD COMPONENTS
 - The scope expansion:
Polarizer → FPD components
 - The updates of ISO 15184: 2012 were reflected
 - The important points of ASTM D 3363-05 were also incorporated

Revision of D50:0707

Note: In the following committee meeting, the followings were agreed:

- a) Allow other test conditions relating to scratching distance, scratching speed, etc.
- b) Any description relating to “polarizer” should be deleted.

Summary & Action Items

- To submit the SNARF
- To submit the revised document of D50 as a yellow ballot for Cycle 5.

New business

- Specification of dimensions of polarizer and related materials especially for non-rectangular shape
 - ➔ Mr. Kobayashi suggested a primary idea of the document, for rectangular, polygonal, and more complex shape including curved lines. It is also important to stipulate the measurements, description and specification of the tolerances. Anchoring points, reference mark may be also illustrated.
- ➔ To be discussed in the each organization and to be discussed in the next meeting.

Next Meeting

In the following committee meeting, it was agreed to hold the next meeting on (same as the Committee meeting date).
