  - Il-Ho Kim (LMS)

# Organization Chart

# Meeting Information

- **Previous Meeting**
  - February 6, 2015 at SEMI Korea office, Seoul in conjunction with SEMICON Korea 2015
- **Next Meeting**
  - May 29, 2015 at SEMI Korea office, Seoul.

# Major Updates

- 5634A (New Standard, Test Method for Color Reproduction and Perceptual Contrast of Displays)
  - Failed A&R review with below reasons.
    1. The location for TC Chapter adjudication has changed without pre-notice. See Regulations (Regs) 9.5.
    2. The interval between the posting of the CER and submitting the A&R sheet for procedural review was four days, while Regs 9.9.1 requires two weeks.
    3. The response for the Reject | Negative 6 is not proper.
- 5633B (New Standard, Viewing Angle Characteristic test method)
  - Failed Committee review and sent to TF for rework

# Subcommittee/TF/WG Updates

- **Perceptual Image Quality TF**
  - The ballot is authorized in cycle 3
- **Perceptual Viewing Angle TF**
  - Doc. 5364A failed A&R review. Doc 5634B is authorized in cycle 3
- **Transparent Display TF**
  - The ballot is authorized in cycle 3
