

Noel Poduje (SMS) moved that the TC Chapter find that the patent application publication number **US2013/0258339** might be material to the Document.

Seconded by Kurt Haller (KLA-Tencor).

Discussion: None

Count: 9-0 in favor

Noel Poduje (SMS) moved that the TC Chapter has examined the **patent application publication number US2013/0258339** and has determined that its use is justified on technical grounds.

Seconded by Supika Mashiro (TEL)

Discussion: Peter Wagner (Self) questioned whether this is needed because of prior art.

Tetsuya Nakai (SUMCO) said he would prefer this standard not defined backside mark because of the patent.

Dinesh Gupta (STA) said however, this document requires the backside mark.

Count: 4-1 in favor. Motion passed.
