

FPD Mask Task Force : Meeting minutes

On : JST 14:00 October 23th, 2025, On-line and off-line @HOYA IT Company group Tokyo office

By : Few persons from each company: CST, Shin Etsu Chemical, Morinobu (Case maker), Net Plastic (Case maker), Nikon, SK-Electronics, HOYA

Summary

- Discussed who will pay the cost of the experiment
 - ✓ We thought to measure the outgas from materials to confirm candidate materials are suitable for mask/blanks case
 - ✓ But it looks no company can pay nor share the cost to outsource

- Agreed to make outline draft of SEMI document first
 - ✓ Try to clarify required factors first by making outline draft
 - ✓ It might not be necessary such measurement to develop SEMI document only with data and information which already disclosed

- Homework for next time
 - ✓ Make the outline draft before next meeting and discuss it

- Next meeting : December 25th, 2025, JST14:00, On-line
