4 SEMI Staff Report

Nahoko Koga (SEMI Japan) gave the SEMI Staff Report. Of note:

- SEMICON West 2025 will be held in Phoenix, Arizona in October. The venue of SEMICON West will alternate between Phoenix and San Francisco every October thereafter.
- All Standards Task Forces shall use Connect@SEMI to host documents that are currently in development. However, the ISC Regulations SC recommended to postpone enforcement of implementation until next Regs/PM revision (which is currently aimed to become effective by NA Summer meeting in June). The Regs SC is working with SEMI to update both Connect@SEMI and rules so that they are aligned each other.
- SEMI University Japan Store launched in June, 2024, which provides SEMI Japan original e-learning courses with Japanese audio or subtitles including SEMI Standards tutorials.
